Bay Ridge Internet Acceptable Use Signature Form

Students are expected to follow all guidelines in the Internet Acceptable Use Policy as well as those given orally by the staff.

With certain safeguards in place to prevent student access to inappropriate material on the Internet, as a parent/caregiver, I recognize that it is impossible for the teaching staff to restrict access to all controversial or offensive material. I will not hold Bay Ridge School or its agents responsible for my child if he/she obtains inappropriate materials on the Internet. My child and I understand that neither accessing of or saving of inappropriate material will not be tolerated. Accessing such material will result in loss of privileges of using the network at school.

Parents/caregivers should call the school (255-3347) to address any concerns they may have about their child's access to the Internet.
