

Bay Ridge Elementary School is requesting input from the public on the following plan for using the most recent grant funds available from the federal government to address the impact of covid-19 on children's health, safety and education (ARP ESSER II):

Bay Ridge is applying for \$122,183 of these funds. We will use \$105,583 to address learning loss. We will provide summer school, do tutoring after school and hire extra staff to provide for more individual instruction for the next 2 years.

We will use \$16,600 will be used to improve the the playground and create extra storage.

If you wish to comment on this plan, please feel free to contact Darlene Wheeler at 259-3347 or [dee04654@yahoo.com](mailto:dee04654@yahoo.com) with your input. We greatly appreciate your response to this plan.
