

Re-opening of Bay Ridge School
Protocol
September 2021

1. The Board voted to make masks optional. This will be revisited throughout the year as concerns arise about Covid 19.

2. All students on the school bus are mandated to wear masks.

3. The school will provide masks for those children riding the bus, for students who wear masks at school and for teachers who want masks.

4. Children will not be mandated to wear masks out of doors.

5. The school nurse will provide Bay Ridge with information regarding Pool Testing. Parents can choose to have their child(ren) participate.

6. The school nurse has provided a flow chart in regards to how to respond to a possible Covid case and/or close contact. This flow chart can be made available to parents through the school's secretary.

7. All meals for children at Bay Ridge will be at no charge this year. However, meal application will be collected for data purposes.
8. Bay Ridge is a School Wide Title 1 school as part of our CNA plan. Any child can receive Title 1 services due to Loss of Learning.
9. Proper hand cleaning will continue to be promoted.
10. Students' desks will continue to be spaced a reasonable distance apart.
11. Cleaning throughout the school will be done by Bay Ridge's janitorial staff. In classroom cleaning, such as sanitizing desks, will be done by either the janitorial staff or classroom teacher.
12. The cleaning of the school bus will continue to be the responsibility of the bus driver.
13. Covid testing is available through Lori Martin for staff and students; students must have parent permission. The over the counter testing will not be accepted.

14. All teachers are preparing their students to become familiar again with Remote Learning in case Bay Ridge needs to close.

15. All students have taken pre & post placement tests to assist in identifying those who have a Loss of Learning. Individualized instruction will be given to those who are below meets the requirements.

If you wish to comment on this plan, please feel free to contact Darlene Wheeler at 259-3347 or dee04654@yahoo.com with your input. We greatly appreciate your response to this plan.
